

From the Pastor—

In a few short days, Riverside will be sending a team to Haiti. On this trip, we have three simple objectives. (1) We will be reconnecting with our mission partners in Haiti, Jesus Way Christian Ministries and Pastor Jean Claude. Both of these relationships are essential for our work, and it is **profoundly lovely to see God's people serving as he has gifted them. The hospitality we experience at the JWCM guest house is top notch, facilitating every other aspect of our time in Haiti. Pastor Jean Claude's generous heart and the warm welcome from our partners at his church are a beautiful reminder of the unity of Christ's universal church.**

The needs are staggering. Hundreds of thousands of children in Haiti are hired out as **domestic workers in others' homes, living on the streets, or in orphanages** ([AP News](#)). This is a problem a hundred mission trips cannot solve, but we are privileged to work with godly caregivers who are making a difference. The children at Hope Orphanage are getting shelter, clothing, food, education, and spiritual nurture. Our short trip can offer little to add to these, but (2) we aim to express our appreciation for what is being done, pledge our continued support, and make sure the children remember that they are known and loved.

Finally, (3) we expect God to be working in our hearts, stirring us to do the work of the kingdom where he has us and with what he has given us.

Would you pray for us and with us? Pray that God would work through us by the power of the **Holy Spirit to accomplish these goals and to use us for the building of Christ's kingdom.**
